Re: AEP Temporary Easement

Dear Council:

The Mayor has authorized legislation to grant a temporary easement to American Electric Power to extend their service from Elm St across the City owned property at the northeast corner of Elm St. and Central Ave. to 207 South Central Ave. In general, the easement is 15-foot wide and located along parcel 37-3107-14-012.000.

Sincerely,

Kirk Niemeyer
Public Works Director
