Re: Stormwater Manager

Dear Council:

Please be advised that the Lima Civil Service Board, at the April 4, 2024 regular meeting, approved amending the classification title Stormwater Manager to Stormwater Engineer. Kirk Niemeyer, Public Works Director, and Ian Kohli, City Engineer, recommend the title change to better attract qualified candidates to this position. The past two postings have received limited applicants, all without any having the required PE certification.

Therefore, the Board recommends Council amend the classification title Stormwater Manager in Section 246.09 of the Authorized Employment Positions to Stormwater Engineer.

Sincerely,

Approved By:

Secretary
