Re: SPGB Contract - Parks Restrooms

Dear Council:

The Mayor has authorized legislation to enter into contract with SPGB Architects for professional engineering services to design, prepare construction documents and provide construction administration services for improvements to the South Jackson Street Community Site near the Riverwalk and develop a Restroom Facilities Master plan for City-owned parks. The South Jackson Street improvements anticipated are a new restroom facility and an open-air shelter. The Restroom Facilities Master plan will evaluate the various restrooms facilities in the City of Lima Parks and explore opportunities to improve them.

The total cost of the professional service contract will not exceed \$188,450.00. Funds are available through Engineering Professional Services.

Sincerely,

Reviewed:

Kirk Niemeyer
Public Works Director

Meri Foster
Director of Finance
