Re: America 250-Ohio Grant Application

Dear Council:

The Mayor has authorized legislation to apply for, accept, and administer a grant from the Ohio Commission for the United States Semiquincentennial (America 250-Ohio) in the amount of \$5,000. The grant will be used to assist with activities being planned in Lima/Allen County to celebrate lesser-known or under-told stories from local history. Please call with any questions or concerns.

Sincerely,
