Re: Letter of Understanding with AFSCME - Electrical Inspector position

Dear Council:

The Mayor has authorized legislation to enter into an LOU with AFSCME regarding the Electrical Inspector position. This LOU pertains to modification of the current wage structure for this position. Due to the increased demands, responsibilities, and overall contribution to the success of the Building Department, a wage modification was deemed necessary to fill the position.

Please feel free to contact me with any questions or concerns.

Sincerely,
