Re: Final Consent Legislation for SR 65 project

Dear Council:

The Mayor has authorized legislation for Council to approve the final consent resolution, to enter into contract and to disburse funds for the completion of the ALL SR 65 0.00/3.94, PID 109803 project with the Ohio Department of Transportation (ODOT).

ODOT is proposing to resurface State Route 65 from the Auglaize County line to just south of East 4th St. in 2025. The project consists of improvements to St Johns Road (S.R. 65) from River Line Road, S.L.M. 3.09 to S.L.M. 3.63 and from S.L.M. 3.94 to S.L.M. 4.56 by resurfacing including pavement repair, pavement planing, and pavement markings, lying within the City of Lima.

Preliminarily legislation passed under Ord. 064-24. The City's participation is estimated at \$84,466.00 after final estimates were completed by ODOT Central Office. Funds for the local participation on this ODOT-let project are available from the City's Permissive Tax fund.

Sincerely,
