Re: Citywide Wayfinding Program Fabrication and Installation Phase One

Dear Council:

The Mayor has authorized legislation to enter into a contract with ACSM, Inc. to fabricate and install phase one of the wayfinding program. This will involve fabricating, removing old signage, and installing twenty-six new Park-Id signs. The signs are scheduled to be installed during the year's fourth quarter. ACSM was the lowest bidder and the contract amount shall not exceed \$157,000.

Sincerely,
