Re: MOU with Visit Greater Lima

Dear Council:

Legislation has been prepared and appears on your agenda that will allow the Mayor to enter into a Memorandum of Understanding with Visit Greater Lima and the City of Lima's Parks, Recreation, and Forestry Division. Specifically, the MOU outlines the partnership between the City and Visit Greater Lima for programming and operations at the Lima Community Aquatic Park. This partnership is about creating additional opportunities for the youth of our community.

Sincerely,

Kirk Niemeyer
Public Works Director
