Re: Neighborhood Traffic Management Plan

Dear Council:

This letter is to inform you the request for letters of interest for a Neighborhood Traffic Management Plan study will be released in November. It is anticipated to begin in early 2025 and be completed by late 2025. The program will seek to provide guidance and direction for addressing issues with traffic volume and speed to ensure our neighborhood streets stay safe and accessible for residents across all modes of travel. Please contact me at any time if you have questions regarding this communication.

Sincerely,

Edward Moore
