Re: Body worn cameras donation to Fort Jennings PD

Dear Council:

The Mayor has authorized legislation to release the old body cameras to Fort Jennings Police Department, 110 Liberty Street, Fort Jennings, Ohio 45844. The department is interested in receiving 5-6 Watch Guard Vista body worn cameras that the Lima Police Department has decommissioned.

The Lima Police Department has a contract with Axon Enterprises, Inc., for the purchase of new body worn cameras.

Thank you for your consideration in this matter.

Sincerely,
