Re: Center for Community Progress Grant

Dear Council:

The Mayor has authorized legislation to apply for, accept, and expend funds from the Center for Community Progress Technical Assistance Scholarship. If awarded, the technical assistance scholarship will enable the pilot and design of new programs and practices that become models for the broader field to emulate and implement to address vacant, abandoned, and deteriorated properties.

Sincerely,

Approved:

Meri Foster
Director of Finance

Sharetta T. Smith, JD, MBA
Mayor
