Re: WOMM II Project Management Contract Amendment

Dear Council:

The Mayor has authorized legislation to amend the agreement with Utility Metering Solutions to extend their project management services for the WOMM II project. The additional time required with this amendment is four (4) months for an additional \$24,000. This will close out this agreement as the departments are going live with the new software the week of June 10.

Please feel free to contact me if there are any questions.

Sincerely,
