Re: 2025 Sidewalk Project

Dear Council:

The Mayor has authorized legislation to advertise for bids and enter into a contract to reconstruct certain sidewalks in which property owners have failed to repair according to Resolution No. 10-24, passed September 24, 2024, by Council.

Last year notifications were sent to property owners at 65 locations which had deficient sidewalks. When Resolution 10-24 was passed it included 61 locations in which owners had failed to comply with the initial order. The December 31, 2024 deadline has now passed for those owners and the remaining 53 locations will be included on this year's city contract.

This communication falls in line with the Safe & Livable Neighborhoods pillar of the City's goals.

Sincerely,
