Lima, OH 45801

Re: Regeneration of Granular Activated Carbon

Dear Council:

The Mayor has authorized legislation to enter into an agreement with Calgon Carbon for the regeneration of 616,000 lbs of granular activated carbon for the Water Treatment Plant. The cost should not exceed \$677,600.00. Calgon Carbon is the sole provider for the carbon.

Please call with any questions or concerns.

Sincerely,
