Re: PSI Pool Testing Contract

Dear Council:

This letter is to follow up on the original communication sent on November 22, 2023, regarding the professional services contract with Professional Service Industries, Inc. The contract will assist the City of Lima in performing construction materials testing and observation services, including special inspections for the Lima Community Aquatic Center.

An additional \$10,000 in funding will be encumbered, bringing the total cost of the professional service contract to an amount not to exceed \$35,000. This additional funding will support the City of Lima's commitment to advancing its goal of creating a sustainable and vibrant community for all residents.

Please contact Ian Kohli at any time if you have questions regarding this communication.

Sincerely,
