Lima, OH 45801

Re: D3 Energy

Dear Council:

The Mayor has authorized legislation to enter into a Professional Services Contract with D3Energy for the engineering, procurement, and installation of the floating solar panel array on the Twin Lakes Reservoir at the Water Treatment Plant. The total cost is \$4,410,936 of which will be paid out of the water fund with 50% of the project being reimbursed from the Department of Energy.

Sincerely,
