Re: Enter into Contract with American StructurePoint

Dear Council:

The Mayor has authorized legislation to enter into contract with American Structurepoint Inc. to perform construction inspection, administration and materials management for the Downtown Streetscape Phase 2 (Central Avenue) project. It will reconstruct Central Ave. from Elm St to Wayne St, including reconstructing two traffic lanes to one traffic lane with a bike lane and parking, installing sidewalks, ADA ramps, and decorative lighting.

The professional services contract cost is not to exceed \$382,479.30. Funds are available through Engineering Division Professional Services general fund.

The project will begin construction in January of 2025 and be completed by the end of 2025.

Sincerely,

Edward Moore
Public Works Dept.
