Re: Enter into Contract with Pavement Management Group

Dear Council:

This letter is to inform you regarding a professional services agreement with Pavement Management Group. This agreement will assist the City of Lima in producing a data-driven analysis of our roadway surfaces. Through the evaluation of on-site video capture, a comprehensive summary of our existing pavement network will be created to inform the maintenance and rehabilitation of our streets. The total cost of the contract will not exceed \$43,750.00. This agreement will help maintain safe and livable neighborhoods and provide a continuity of services. Funds are available through the Engineering Division's Professional Services account. Please contact me at any time if you have questions regarding this communication.

Sincerely,

Reviewed:

Amy Harpster
Public Works Director

Meri Foster
Director of Finance
