Lima, OH 45801

Re: Allen Soil & Water Conservation District Contract

Dear Council:

The Mayor has authorized legislation allowing the City of Lima to enter into contract with the Allen Soil and Water Conservation District (ASWCD) for services related to maintaining the City's six minimum control measures for the National Pollutant Discharge Elimination System (NPDES) Phase II Storm Water permit. These measures are defined with the Ohio Administrative Code 3745-39-03 (B) (1) through (6) and summarized below:

1. Public Education and Outreach
2. Public Involvement and Participation
3. Elimination of Illicit Discharges
4. Construction Site Stormwater Runoff Ordinance
5. Post-Construction Stormwater Management Ordinance
6. Pollution Prevention and Good Housekeeping

The contract amount shall not exceed \$110,000.00. City of Lima Stormwater Funds are available from account 2720-9110-55255. ASWCD will use the City contract funds to obtain State of Ohio matching funds through the Ohio Soil and Water Conservation Commission at an anticipated multiplier rate of 1.70. This legislation helps to leverage State of Ohio funds available for the work performed.

This communication falls in line with the Sustainable & Vibrant Living and the Investment, Development, & Continuity of Services pillars of the City's goals.

Sincerely,
