Re: Submittal of Applications to OPWC

Dear Council:

The Mayor has authorized legislation to submit two (2) applications to the Ohio Public Works Commission requesting State Issue I funds. Those projects are:

- 1) Various Street Resurfacing (grant) – This project will include the milling and resurfacing of approximately 5.2 miles of various streets in the City of Lima.
- 2) Calumet Avenue Improvements (grant) - This project will include the partial reconstruction of the roadway from Kibby Street to Linden Street. The project also includes the installation of new drainage structures, ADA compliant curb ramps, curb replacement, pavement resurfacing and street signage.

Sincerely,

Shane Coleman
